Introducing The Finnieston's Summer Menu 2025.

Our bartenders have curated a cocktail list which showcases our extensive collection of over 60 gins from around the world, alongside carefully selected spirits from our gantry.

This menu features tropical flavours with a dash of sunshine. A full-on team effort spearheaded by Bar Manager Rana, featuring serves from all of our bartenders.

As sustainability is very important to us here at The Finnieston, almost every cocktail has a homemade element which focuses on minimizing waste and trying out new, innovative, and exciting techniques to make our produce go further and minimize our carbon footprint.

Classic, bespoke, or tailor-made cocktails can be made upon request, just ask your server or bartender.

Please enjoy!

The Finnieston Team.
